

MEDUSA ODYSSEY

About Us

Medusa Odyssey have created their distinctive & unique brand of electronic live performances. True musicians at heart, they create their own music in their sets, producing it live with synthesizers, electric guitar, flutes, vocals and a drum machines.

Both hailing from Argentina, now been living & working in Ibiza for many years. Their music, deep house with a melodic tribal feel, is heavily influenced by their South American roots.

Medusa Odyssey has released tracks on Sol Selectas, Connected, Sudam, Aluku Records, Exotic Refreshment, Aftoterraneo, Etc.

Creating also collaborations with artists like Bahramji, Kintar, Iban Mendoza having also remixes from Themba, Megablast, Goldcap, Nhil, Alinka, Concret.

Those tracks were played by djs like Black Coffee, Nick Warren, Sabo among others.

They played alongside artists such us Damian Lazarus, Adam Port, Luciano, Guy Gerber, Be Svendsen, Behrouz, Oliver Koletzki, Bora Uzer, Jan Blomquist, Satori, Monolink, Etc.
